Our local favourite

2011 Hans Herzog
'Spirit of Marlborough',
Organic – 234

After a perfect, long dry autumn we handpicked a tiny yield of 600g/vine of healthy, physiologically ripe Cabernet Franc and Merlot grapes in harmony with our 'low yield/highest quality' philosophy. The vines grow on the sandy, gravelly soils of our vineyard, akin to those of the Pomerol region. Both climates are moderated by their proximity to the Ocean and the presence of rivers yielding wines of exclusive velvety quality best after 10 years of ageing.*

Pairs well with our delicious lamb dishes as well as 55 day Rib Eye, but it is also a great wine to have on its own.
